12.3.2 A competitor who is late for the briefing will be fined 2,000.00 dinars.

Article 13. PRACTISE

13.1 As part of the race weekend, the organizer has planned qualifying practises for all classes. The beginning of the first qualifying practise is on Saturday 05.11.2022. from 11:15.

13.2 All drivers are obliged to follow the instructions of the head of the service park before going out on the track during training.

13.3 Other provisions apply from the Appendix to the General Rules on Motorsport for the circuit race.

Article 14. RACE

14.1. For CEZ championship two races will be held, first on Saturday 5.11. and second on Sunday 6.11. For Serbian National championship and Open Serbian Championship one race will be held, on Sunday 6.11.

14.2. The races are run by divisions that will be announced as part of the starting list.

14.3. Race length: 22 laps for all classes

14.4. The organizer planned an alcohol test before going on the track. Drivers who have alcohol will not be allowed to start. (tolerance is 0.00)

14.5. Time keeping is done with the help of a transponder.

14.6. Separation of divisions (by classes) is possible only in the case of a larger number of drivers than the capacity of the track or based on the decision of the COC.

14.7. Other provisions apply from the Appendix to the General Rules on Motorsport for the circuit race.

Article 15. STARTING PROCEDURE

15.1 Based on the start list, drivers, in the pre-start area, form a column 15 min. before the race. In the pre-start area, drivers and vehicles coming out on the track are checked. A column is formed behind the "SAFETY CAR" vehicle. This vehicle, 10 min. before the start of the race leads the column in the formation lap and brings the vehicles to the starting positions. Vehicles that do not appear in this period at the starting position will start as the last in the division.

15.2 Vehicles that do not appear at the start 3 min. before the start of the race will start from the box after approval by a green light or a green flag.

15.3 The board with the number 3 and the sound signal indicates the time remaining until the start of the race - 3 min. At that moment, all persons leave the starting area except for one authorized person for each vehicle registered for verification.

15.4 The board with number 1 and the sound signal indicates the time remaining until the start of the race - 1 min. At that moment, the remaining people leave the starting area and the drivers prepare for the warm-up lap.

15.5 The start of the race is realized with the help of a light device. The marshal gives the signal with a green flag, which marks the last 15 seconds before the lights come on. The light has 5 red lights that turn on one by one every second, the last 5 seconds before the start. When all 5 red lights come on, the lights go out after 2 to 5 seconds and mark the start of the race.

15.6 In the event of a fault at the starting traffic light, the start will be given a green flag.

15.7. Other provisions apply from the Appendix to the General Rules on Motorsport for the circuit race.

Article 16. SAFETY CAR

16.1 "SAFETY CAR" is included in the race only after the decision of the COC, when the track is in a state that the race does not have to stop but does not continue safely in the conditions of a regular race.

16.2 Other provisions apply from the Appendix to the General Rules on Motorsport for the circuit race.

Article 18. NOTES OF THE ORGANIZER

18.1 The organizer warns all participants in particular of the following:

18.1.1 Strict observance of discipline and order ordered by the Organizer in accordance with the General Rules on the auto spot of SAKSS.

18.1.2 Any unauthorized advertising and any sale in the area around the track or all parts of the track without a contract with the Organizer is prohibited.

18.1.3 It is forbidden to light an open fire in the area of the Ušće trackl.

18.1.4. Advertising of alcoholic beverages and tobacco by organizers, competitors and third parties is prohibited.

18.2 Any kind of destruction of property in the area of the Ušće trail is prohibited. Any kind of violation of this provision entails material and criminal liability.

Article 19. PROTESTS AND APPEALS

19.1 Protests against observed and presumed details shall be submitted to the CRO in the competition office within the prescribed time limit. All complaints and protests filed after that deadline, as well as complaints without payment of protest fees, will not be accepted and considered.

19.2. The envisaged space for checking the technical correctness of the car on which the objection (s) has been is in Servis Kocic, Pilota Mihaila Petrovica 75, 11110 Belgrade.

Article 20. AWARDS

20.1. The organizer provided awards for the competitors who are in top three places in each class.

Article 21. FINAL PROVISIONS

21.1 For all that is not specifically stated in this rulebook, the provisions of the Appendix to the General Rulebook on Motorsport for the circuit race, the General Rulebook on Motorsports and Karting and other relevant ASN, FIA and CEZ regulations will apply.

21.2 The Organizer reserves the right to amend this Special Rules of the competition which will be published on the official website of the organizer, as well as on official notice boards during the competition.

Clerk of the Course
Dragoslav Petrović
